

**Office of Mental Health and Substance Abuse Services  
SFY23-24 Mental Health Planning Council**

**SAVE THE DATE!**

Starting in SFY23-24, the OMHSAS Mental Health Planning Council will meet on the third Tuesday of the second month each quarter (August, November, February, and May). In years when the May meeting would fall on the Pennsylvania Primary Election, the May meeting will be held on Monday instead. Currently, all SFY23-24 meetings are being planned as remote meetings.

If any changes occur throughout the year, updates will be provided through the MHPC Appointed Member Listserv and the [OMHSAS Public Listserv](#).
